## VISKOTEPAK'S NEW WEBSITE IS HERE

**In today's fast-paced digital world, a website is more than just an online identity; it's the front-line of customer engagement and brand representation. Acknowledging the importance of a strong digital presence, ViskoTeepak is excited to announce the launch of our new website.**

### **New & Fresh Design**

The new website with its modern layout boasts a contemporary and sleek design, offering an aesthetically pleasing experience. Understanding the value of our users' time, we've significantly improved the website's speed and responsiveness. Whether browsing on mobile or desktop, the website allows users to effortlessly and quickly explore our comprehensive range of products and services.

### **Clearer Call to Action**

We've streamlined the user journey with cleaner and more compelling 'call to action' buttons. These improvements make it easier for visitors to get in touch with us, request information, or start a conversation about how we can meet their needs.

### **Local Sales & Contact Details**

Recognizing the importance of local connection, our website now features an intuitive system for finding local sales and contact details. This tailored approach ensures that our customers can quickly and easily connect with the right representative in their region.

### **Multilingual Accessibility**

Our new website includes a comprehensive translation tool capable of translating the site's content into a wide range of languages.

At ViskoTeepak, we're passionate about providing high-quality sausage casing solutions. Our Sausage Casing Knowledge Bank is a comprehensive resource for exploring and understanding sausage casings. It's not just an information hub for our products; it's also a place to learn more about our company. We believe that an informed customer is a satisfied customer, reflecting our commitment to quality, innovation, and customer education. Discover how ViskoTeepak can be your trusted partner in the world of sausage casings.

# Knowledge Bank with New Tools

A stand out feature of our new website is the 'Knowledge Bank'. This section is a treasure trove of information, equipped with new tools and resources. It's designed to empower our customers with insights, tips, and the latest industry trends, helping them to make informed decisions.

## NEW TOOLS:

### **Fibrous casing finder**

Utilize this tool to discover the ideal casing for your requirements based on your stuffing diameter. ViskoTeepak will suggest suitable casings. For additional details, reach out to your ViskoTeepak sales representative.

### **Fibrous clip recommendation**

For optimal results, input your casing diameter and chosen clip, and ViskoTeepak will suggest the most suitable clip based on your final paper thickness.

### **Casing usage converter**

With our casing usage converter, you can choose between our Wienie-Pak and Fibrous casings. ViskoTeepak will provide recommendations based on your selections.

### **Wienie-Pak order quantity**

Our Wienie-Pak order form provides initial values, with additional options for larger orders. For further details, consult your ViskoTeepak sales representative.

### **Casing consumption**

Use our tool to find your ideal casing consumption. Input your specifications, and let ViskoTeepak

guide you to the perfect solution for more efficiency.

### **Brochures**

At ViskoTeepak, our brochures are designed with you in mind. They're a valuable resource to help you find the right product. Take your time to browse through them, and when you're ready, our team is here to provide further assistance.
